

Bees United

Community Fund

Application Pack 2024

Introduction

Thank you for your interest in the Bees United Community Fund 2024.

This pack gives you information about Bees United (BU), what our Community Fund sets out to deliver, and how you can apply for funding for your project, group or event.

Who we are

At a time when football supporters often feel clubs are out of touch with their fans and some communities have seen their clubs disappear, Bees United has fought for a unique role in ensuring that Brentford remains a club which we, the fans, can call our own.

BU is unique as the only fan group in the Premier League with a seat on the main board of its club. We also have a 'special share' to safeguard its long-term future, enshrined in the articles of association of Brentford FC Ltd, and we are represented on the Brentford FC Fan Advisory Board which we Co-Chair.

BU earned these rights by saving the club from financial disaster back in 2006 and then beginning the partnership with Matthew Benham which led to him becoming Brentford's owner.

We are proud of our club and its progress to the Premier League, and we are confident about Brentford FC's future under the ownership model we helped create.

Our Vision is :

To promote and protect the history and heritage of the Club.

Our Mission is that :

Bees United exists to safeguard Brentford Football Club (BFC) so that it has a stable and sustainable future as a professional football club. Our role is to represent our members, the supporters of BFC and the local community to ensure that BFC remains a club we can all call our own.

We want fans to know and understand where we have come from as a club We want to cherish the history and heritage of a club which has formed part of its local community since 1889, and how that heritage has contributed to the culture and values that the Club has today.

BU is committed to strengthening the bonds between the Club and the community which it serves. Furthermore, Bees United represents the interests of this community in the running of the Club.

The Bees United Community Fund has been established to support our work in celebrating the history and heritage of the club and the local community.

We look forward to receiving your application!
